

非清华校园网 IP 地址，可以通过 Shibboleth 认证直接访问“Nature”全文，访问方法如下：

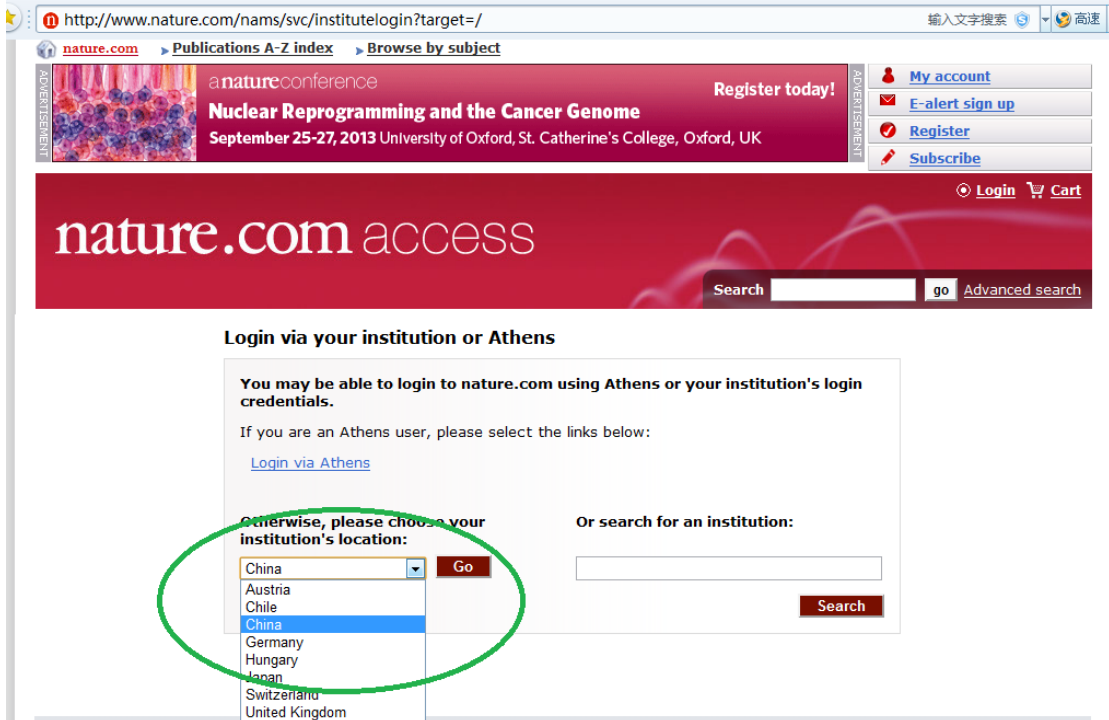

1 点击 <http://www.nature.com/> ，点击页面右上角的“Login”，

2 再点击“Login via your institution”

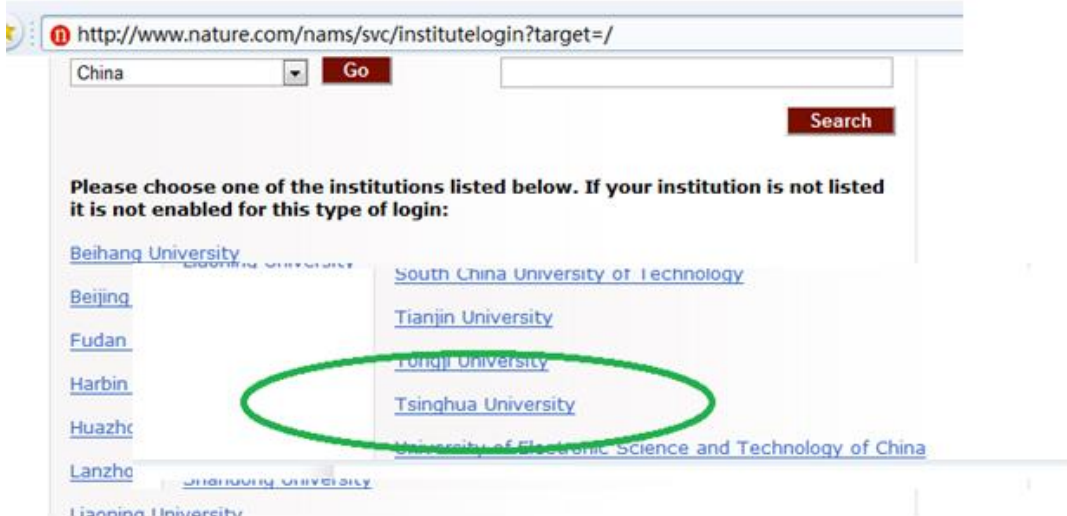

3 选择“China”后，点击“Go”

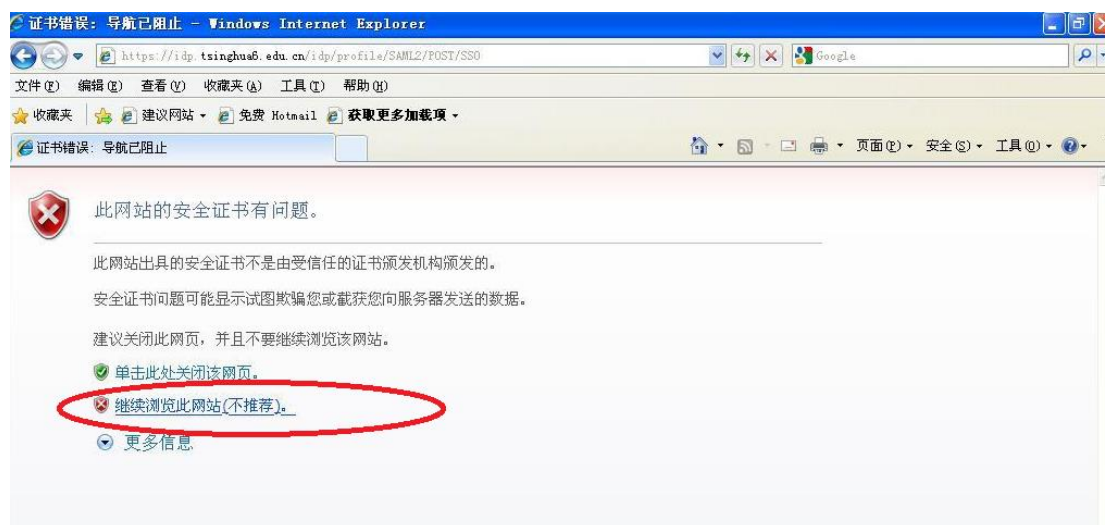

The screenshot shows the top navigation bar of nature.com with a red banner for a conference. Below the banner is a search bar and a login section titled "Login via your institution or Athens". Under this title, there is a text box explaining Athens login and a link "Login via Athens". Below that, a section titled "Otherwise, please choose your institution's location:" contains a dropdown menu with "China" selected and highlighted in blue. A green oval is drawn around the dropdown menu. To the right of the dropdown is a "Go" button. Further right is a search box for institutions with a "Search" button.

4 点击“Tsinghua University”，或在搜索框内输入“Tsinghua University”

The screenshot shows the same login page as above, but the dropdown menu is closed. Below the "Go" button, there is a list of institutions. The list includes: Beihang University, Beijing, Fudan, Harbin, Huazhong, Lanzhou, Liaoning University, South China University of Technology, Tianjin University, Tongji University, Tsinghua University, and University of Electronic Science and Technology of China. A green oval is drawn around the "Tsinghua University" link.
